

PARTICIPATE IN A RESEARCH STUDY

The Brain, Language, and Bilingualism Lab at UF is testing how language experience impacts performance on a cognitive task!

Check with your instructor to receive **class credits**

What the study entails:

- 10-15 minutes in front of your computer
- You will complete a short cognitive task.
- At the end of the task you will be asked to answer a few questions about your language background.

You are eligible if:

- You are a native English speaker **AND** you are currently enrolled in Spanish language classes
- You are between 18-30 years old

READY TO PARTICIPATE?
