

Participate in a research study for the  
Bilingualism, Language, and Brain Lab

## **Learn Dutch from the comfort of your home!**

### **Requirements:**

- Native English Speaker with little knowledge of another language
- Able to commit to 14 continuous days of participation
  - o 10 days of twenty-minute Dutch lessons at your home
  - o 2 testing days of one-hour sessions online via Zoom
- Between ages 18-30
- Normal reading skills (no dyslexia/difficulty reading)
- No history of stroke, neurological problems, or concussion

### **Compensation:**

- You will be compensated \$70.00 for the completion of the study.
- If you withdraw from the study before completing it, you will receive partial compensation (amount is dependent upon the duration completed)
- You will also contribute to the understanding of language learning and in the improvement of its teaching and learning.

**If you are interested in participating:** Email Cloe Zeidan at [blabyasproject@lin.ufl.edu](mailto:blabyasproject@lin.ufl.edu) with the subject line **“Dutch Study”**.
