

PARTICIPATE IN A RESEARCH STUDY

BILINGUALISM LANGUAGE AND BRAIN LAB

REQUIREMENTS

- 18 years or older
- Monolingual English speaker (English is your first and only language and you have no command of another language)
- Right handed

WHAT YOU'LL DO

- An online pre-screening to make sure you meet the study requirements
- Spend 1.5-2 hours in the BLaB EEG lab doing a few tasks on a computer while we record your brainwaves!

COMPENSATION

- Course credit or monetary in the form of a gift card
