

¿Hablas español?

Do you speak English?

Then, you are needed ...

Are you ...

- A **Spanish-English bilingual** (learned both languages before age 12)?
- Between 18 and 35 years old?
- Have no hearing or language-related problems?

If so, then you may qualify to participate in our study on bilingualism and cognition! You will be asked to listen to both Spanish and mixed Spanish-English sentences and do a simple reaction test.

The study is **one session of about 1 hour long**.

If interested or have further questions:

Email Savannah at savannahchandler@ufl.edu with the subject line “Bilingual Codeswitching” or scan the QR code:

Compensation of \$10/hour will be made out through Zelle upon the completion of your participation session. For more information about the research study email Dr. Kaan: kaan@ufl.edu
