

MINORITY LANGUAGE STUDY

Get started learning Finnish!

Finnish is spoken by approximately 1% of people in Europe and by 0.07% of people in the whole world. In this study, you will learn introductory Finnish words and vowels.

PARTICIPATION REQUIREMENTS:

- Native English speaker with little knowledge of another language
- You learned English at home and only speak English
- Able to commit to 2 testing days in-a-row of two-hour sessions in-person
- Between ages 18-30
- Normal reading skills (no dyslexia/difficulty reading)
- No history of stroke, neurological problems, or concussion

COMPENSATION: You will receive course credits for study completion.
